

WHERE THERE'S GOLF, THERE'S REWARDING BUSINESS!

Collectively we at Rocky Ridge Golf Club & Neshobe Golf Club are extremely proud to introduce two corporate membership opportunities totally unique to Vermont golf due to our sole ownership.

We feel these tiers of membership encourage businesses to utilize both of our championship golf courses to network with clients or simply reward team members. We have two corporate membership packages which have been tailored to meet the need of modern-day business professionals.

Flexible working arrangements as of late have left businesspeople looking for pleasant spaces to work, collaborate and network with fellow associates or clients. We are very confident that Rocky Ridge and Neshobe will not only meet but exceed those expectations.
